2021 GI7 SYRAH

“A blend of 86% Syrah, 8% Mourvedre, and 6% Grenache rests in 20% new French oak for about 10 months. Boysenberry, bitter herbs, black plum skin, and crushed peppercorn are all present in the glass. Medium-bodied with lovely acidity, it’s a meaty, spicy and earthy GSM that would be even better with some smoked meat.”

- Jeremy Young, April 2023
