2022 ROSÉ OF GRENACHE

“Morgan’s Rosé of Grenache is a crowd pleaser that’s on the dry side — meaning it’s a candidate for turning on your white Zinfandel friends to the pleasures of less sugar. Nectarine, strawberry and lemon run from start to finish, and you will keep coming back until the bottle is empty. That’s what summer is for, right?”

- Rich Cook, August 2023
