*2019 Double L Pinot Noir*

*“Limpid ruby. A highly expressive bouquet evokes spice-accented red/blue fruits, potpourri and vanilla, along with subtle cola and woodsmoke nuances. Sweet and expansive in the mouth, offering finely detailed raspberry, mulberry, cherry-cola and candied lavender flavors that steadily deepen through the back half. Finishes gently tannic and impressively long, with the cherry and floral notes reverberating. 7% whole clusters and 36% new French oak.”*
