2021 DOUBLE L SYRAH

“... It needs a lot of swirling to bring out fragrant scents of black cherries, juicy plums, and boysenberries leading to touches of star anise, tar, and black olives with a black pepper undercurrent. The medium to full-bodied palate is taut with muscular black fruits and peppery accents, framed by ripe, rounded tannins and a lively backbone, finishing long and savory.”

- Lisa Perotti-Brown, Feb 2024
