2021 DOUBLE L SYRAH

"The 2021 Double L Vineyard Syrah spends 10 months in 25% new French oak barrels, with the rest being neutral, and displays a semi-translucent medium ruby core with a bright neon pink rim. Bountiful aromas and flavors of blue and black plum, crushed black olives, pencil shavings, and cedar herbs abound. Silky tannins combine with balanced and rounded tannins while finishing meaty and peppery on the mid-palate."

- Jeremy Young, April 2023
