2014 Double L Vineyard Syrah

“Vivid purple. An intensely perfumed bouquet evokes cassis, cherry compote, violet and peppery spices, and a hint of smokiness emerges with air. Juicy, broad and alluringly sweet, offering concentrated blue fruit and floral pastille flavors and a suggestion of spicecake. This concentrated but lithe Syrah finishes with excellent clarity, a lingering floral quality and smooth tannins that come in late.”

- Josh Reynolds, Oct '16
