2014 G17 Syrah

“Inky ruby. Spice-tinged dark berries, licorice and pungent flowers on the nose, joined by a smoky nuance that builds with air. Shows very good energy and focus in the mouth, offering juicy blackberry and olive flavors and a subtle touch of cracked pepper on the back half. Closes sweet and long, displaying sneaky tannins and bright, peppery persistence. I was reminded a lot of a Crozes-Hermitage.”
