

MORGAN
SANTA LUCIA HIGHLANDS

90 POINTS

wine^{review}online.com

2014 Metallico Chardonnay

"I'm a fan of unoaked Chardonnay, and I'm glad to see Morgan sticking with it as many who gave it a try are back to their old oaky ways. Racy acidity counters the bold apple and stonefruit profile nicely, allowing stony minerality and a little orange zest to speak. Stock up on this one for springtime dining al fresco."
