

**MORGAN**  
SANTA LUCIA HIGHLANDS

**92 POINTS**

*2015 G17 Syrah*

*“Morgan’s 2015 starts with a hint of smoke, minty spice, blueberry and crushed violets leading to a rich and round palate, delivering boysenberry, wild plum, black cherry and blueberry fruits along with tapenade, anise, earthy loam, tobacco leaf, cedar, vanilla and framboise. The vintage was concentrated and ripe, allowing for smooth tannin and opulent mouth feel, while maintaining good energy and focus. If you are thinking about exploring central coast Syrah, this one is a solid gateway into these wines, it’s polished, elegant and nicely juicy in style, drink now.”*

- Kerry Winslow, July ‘17
