*2016 Double L Chardonnay*

*"I think this latest Double L Chardonnay from Dan Lee and winemaker Sam Smith just might be the best white Morgan wine I've ever tried, it's a gorgeous Chardonnay of remarkable class and complexity. Showing bright intensity and subtle richness, this 2016 Morgan Double L gains layers and depth with every sip and is very white Burgundy like in balance and poise, while still being true to sense of place with hints of tropical fruit and mouth filling texture."*
