2020 HIGHLAND CHARDONNAY

“Keeping twenty percent of the fruit from undergoing malolactic fermentation keeps this wine bright and allows for a clean finish in what is otherwise a hearty, nicely oaked offering. Lemon creme, apple and a touch of butter make this a crowd pleaser at a price that will please your budget. I would look to roast chicken with a generously herbed butter rub as a pairing here.”

- Rich Cook, August 2022
