2016 Double L Chardonnay

“Limpid yellow. Powerful, mineral-accented Meyer lemon, pear and vanilla scents show very good clarity and complicating suggestions of fennel and toasty lees. Minerally and focused in the mouth, offering pliant citrus and orchard fruit flavors; deeper suggestions of honey and buttered toast emerge on the back half. Shows impressive depth as well as energy and finishes smoky and very long, with a suave floral nuance hanging on.” - Josh Reynolds, Oct 2018
