SANTA LUCIA HIGHLANDS

94 POINTS PinotFile

2016 Tondré Grapefield Pinot Noir

“Amazing attack of purple and black fruits that are expansive in the mouth and progress through an extremely long finish. Rather luxurious, yet uplifting and docile, with lacy tannins and a hint of noble oak. This vineyard is a consistent producer of stellar wines. I have tasted many wines from this vineyard made by different producers through the years and they have always excelled.”
