SANTA LUCIA HIGHLANDS

**93 POINTS**  
**PinotFile**

*2017 Boekenoogen Pinot Noir*

*“Moderately light garnet color in the glass. Aromatically pleasing scents of black cherry and potpourri lead to a seductive, light to mid weight styled wine, offering a range of dark red fruit flavors embellished with a thread of oak. The gracious mouthfeel is the best feature of this very elegantly composed wine that freely offers its charms upon opening.”*
