SANTA LUCIA HIGHLANDS

93 POINTS
PinotFile

2017 Double L Pinot Noir

“Moderately light garnet color in the glass. Lovely aromas of black cherry, blueberry and spice cabinet. The wine gains intensity over time in the glass, displaying highly flavorful boysenberry and black raspberry fruits. Seamless in texture with deft oak management and integrated tannins, finishing with open arms. I liked this wine more when sampled from a bottle that had been opened for several hours.”
