2018 Boekenoogen Vineyard Pinot Noir

"...Expressive aromas of fresh red and blue fruits, candied flowers, incense and Asian spices; cola and vanilla notes build in the glass. Juicy and energetic on the palate, offering intense Chambord, cherry cola, boysenberry and rose pastille flavors that show fine definition and spicy lift. In a bright, exuberant style, with polished tannins sneaking in slowly to add shape to an impressively long, focused finish..."
