SANTA LUCIA HIGHLANDS

90 POINTS

2018 Double L Riesling

“While many wine experts scoff at the idea of a California Riesling, Morgan Winery has long understood the microclimates that can produce top-quality Riesling grapes. This wine is fresh, bright, and alive. Its aromas and flavors of racy and Golden Delicious apples, with a hint of flowers, should pair well with a Chinese chicken salad with a touch of sesame oil and dried chili flakes.”
