2018 Garys' Vineyard Pinot Noir

"A highly complex bouquet evokes ripe red and blue fruits, allspice, cola, potpourri and succulent herbs, and a hint of smokiness builds in the glass. Densely packed yet lively in style, offering palate-coating black raspberry, boysenberry, candied rose and mocha flavors that turn sweeter through the midpalate. Finishes impressively long, smooth and spicy, with polished tannins framing lingering red berry preserve and floral pastille notes."
