SANTA LUCIA HIGHLANDS

91 POINTS

2018 Metallico Chardonnay

“Over the last decade, wineries have rushed fruit-forward, no-oak Chardonnays, and many of those wines have not hit the mark. Morgan Winery is one of the exceptions and has produced some of the best wines in this genre. The 2018 Metallico Un-oaked Chardonnay is a shining star. This wine is brimming with mineral, tart apple, and excellent brightness. Pair it with a dozen freshly-shucked raw oysters.”
