2018 Rosella's Vineyard Pinot Noir

"Intensely perfumed black raspberry, cherry cola and potpourri scents, along with a zesty mineral nuance and a sexy, exotic spice topnote. Densely packed and appealingly sweet, with a bright undercurrent of acidity supporting sappy red berry and cherry preserve, spicecake, mocha and rose pastille flavors. Deftly blends power and finesse, and finishes very long and sweet, with polished tannins building harmoniously with wine's vibrant fruit."
