2018 Tondre Grapefield Pinot Noir

“Intensely perfumed raspberry, cherry cola, exotic spice and potpourri aromas are complemented by a hint of smoky minerality that builds in the glass. Densely packed and appealingly sweet, showing impressive depth and fine definition to the sappy red berry preserve, spiced cake and lavender pastille flavors. Gains power with air and finishes very long and energetic, the smooth tannins harmonizing with the vibrant, spice-accented fruit.”
