2019 Double L Dry Riesling

“Green-tinged straw. Pungent citrus pith and orchard fruit aromas are complemented by a spicy ginger nuance. Vibrant and focused in the mouth, offering energetic Meyer lemon, pear skin, quinine and honeysuckle flavors that show sharp cut and back-end lift. Closes long and nervy, with a resonating mineral note and lingering citrus fruit character. Raised in a single, neutral French oak barrel and a small stainless steel tank.”
