SANTA LUCIA HIGHLANDS

92 POINTS

International
WINEREPORT

2019 Highland Chardonnay

“8 months in French oak barrels with 26% being new, along with 90% malolactic fermentation furnishes a medium to full-bodied, medium plus acidic Chardonnay. Baked cinnamon apple, toasted brioche, white tea and yellow wild flowers combine to form a scrumptious Central California Chardonnay that should deliver well over the next 5-7 years.”

- Jeremy Young, December 2021
